About Wiley

Founded in 1807, Wiley has evolved into one of the world's most respected publishing companies. Wiley is a leader in creating award-winning content for academic, professional and scientific audiences. The Wiley-Blackwell division serves the global research and scholarly community, and is the world's largest society publisher. The Professional and Trade business connects professionals and consumers alike with a print and digital portfolio of global brands, including *For Dummies*, *Frommer's*, *Betty Crocker*, *Pillsbury*, *CliffsNotes*, *Webster's New World*, *Jossey-Bass*, *Pfeiffer*, *Sybex* and others. Wiley Higher Education targets undergraduate and graduate students around the world with a full suite of learning and teaching tools. Wiley operates in North America, Europe, the Middle East, Africa and the Asia Pacific region, employing over 5,000 people worldwide.
