Facing Strong Headwinds 17
 In Light of the Covid-19 Pandemic the Pharma Industry has to Reinforce Supply Chains and Review Business Processes
Experts of Aenova, Cambrex, Catalent, Dr. Reddy's, DuPont, Gemini PharmChem, Rentschler Biopharma, Thermo Fisher Scientific, TTP Group and Vectura share their opinions

Resource Efficiency Pays Off 20
 Development and Optimization of Biotechnological Processes
Katja Saulich, VDI Zentrum Ressourceneffizienz

Smart Trial and Error 22
 Transforming Research and Development with Design of Experiments
Peter Goos, University of Leuven

Randomized Clinical Trials 24
 Is Real-Time Data the Key to Accelerating Drug Development?
Srinivas Shankar, Cognizant

INNOVATION

Glucose Control of Bioprocesses 26
 Online Monitoring and Control of Bioreactors by Mid-Infrared Spectroscopy
Interview with Anja Müller and Alexander Geißler, Iribis

Revolutionizing Surface Functionalization 28
 Single-step, Ambient, Dry Grafting of Organic Compounds and Biomolecules onto any Substrate
Interview with Marc Jacobs and Régis Heyberger, Molecular Plasma Group

Evolving an Entrepreneurial Ecosystem 30
 The Environment in which Start-ups Operate Influences their Success to a Large Degree
Interview with Brad Feld and Ian Hathaway

MARKETS & ECONOMY

Continuation Rather than a Change 32
 Preview on the 14th Five-Year Plan and China's Chemical Industry
Kai Pflug, Management Consulting – Chemicals

EVENTS/INDEX/IMPRINT 34

PHARMA & BIOTECH

Expansions in High-Potency API Manufacturing 4
 HPAPI Capacity Increase is an Active Area of Investment by CDMOs/CMOs
Patricia Van Annum, DCAT

The Rise of HPAPI Molecules 8
 Trends in Highly Potent API Manufacturing: Safe Handling, Containment and Production
Maurits Janssen, Lonza

Understanding the Requirements of Safe HPAPI Manufacturing 10
 Growing HPAPI Demand and Project Complexity Make CMO Partners Critical for Success
Andreas Meudt, Jochen Becker, and Kenny McCleary, Evonik

Wake-up Call 14
 The Impact of Covid-19 on the Pharmaceutical Industry
Interview with Andrew Badrot, C² Pharma

www.sennchem.com

Senn Chemicals – your CDMO
 for SWISS quality peptides and amino acid derivatives

Peptide APIs

cGMP
 FDA inspected
 Solid and Solution
 Phase Synthesis
